HOW TO DISPOSE OF SHARPS:

Place sharps in an empty plastic detergent bottle or bleach bottle. Screw the lid shut, tape over it and label it "SHARPS". Or you can use a special red-plastic sharps disposal container purchased at a pharmacy.

Unacceptable containers: Coffee cans, plastic milk jugs, plastic bags, soda bottles.

This program is not available to commercial businesses or medical offices. They should contact a medical waste disposal service.

Sponsored by Mendocino Solid Waste Management Authority.
